**THIS IS A NON-SMOKING FACILITY! IF YOU NEED HELP QUITTING CALL THE WASHINGTON STATE QUIT LINE AT 1-877-270-7867**

Try to call before you come if you need help to quit smoking. They can get you free nicotine gum or patches if you qualify for their services. We do not always have the supplies here and it might be easier for you to get them before. You will not need a doctor’s order for this medication; we have a standing order here that you can use for nicotine cessation products. (Unless you are pregnant and or breastfeeding)
